0.1 INTRODUCTION.

Integrity is a private school located at Terrat ward 10 km from school Quality Assurance Office. The school was registered on 8th October 2011 with registration number AR.01/7/061. The school had shifted from Daraja II ward to Terrat ward the place where by the owner had asked registration.

1:1 PURPOSE OF INSPECTION:

The purpose of this inspection was to see if the area where by the school had shifted to had meet the required standards. Formerly the school was conducted in a area which was not of its registration area.

The inspection aimed to see the following.

- School area
- Buildings
- Basic social services.
- Furniture and equipment.

1:2 MODE OF INSPECTION:

- Actual visit.
- Conversation with the school owner.
- Pass through other documents.

2.0. FINDINGS:

The school had 4 acres which is legally owned, its good catchment area for school. There were 04 completed classrooms with required standard, 01 office, 04 toilets for girls, 04 toilets for boys and urinal place.

3.0. BASIC SOCIAL SERVICES.

The availability of school transport, electricity and water. Health center is 2kms from school.

3.1. FURNITURE AND EQUIPMENT:

The furniture available for the moment were 36 desks, 02 tables and 5 chairs. The owner of the school was aware of this and promised to procure furniture and other required equipments as required by the Ministry of Education, Science and Technology.

3.2. TEACHING AND NON TEACHING STAFF

Six teachers were employed among them 03 were male and 03 were female. Two teachers had degrees in Education and 04 were teachers in grade IIIA. The number of teachers is sufficient for the pupils enrolled. Non teaching staff who were employed were, 02 watchmen, 02 gardeners, 02 drivers, 02 cleaners, 01 cook and 01 matron.

3.3 TEXT AND REFERENCE BOOKS;

All the required syllabi, texts books and reference books were available.

4.0. VIEWS AND RECOMMENDATIONS OF SCHOOL QUALITY ASSURANCE OFFICERS.

- The school management had done effort to shift school at its original place of registration.
- Though; the school management had shifted to the required area of registration. It is important that both pupils been shifted at the new area since the school now is conducted in both areas.
- The owner of the school is advised to procure necessary furniture and equipment. Either to complete required buildings to meet school standard.
